Doubtless the future will see many changes. Well, perhaps that is what the future is for.

Sir John Gielgud as the Headmaster in Alan Bennett's play, 40 Years On

Professor Peter Fonagy OBE has had a long and distinguished career as a psychoanalyst, leader and scientist in the public sector.

His lecture will reflect on changes since APP began in 1981, the world we have lost; and on changes yet to come, the challenges ahead.

In 2021, the Association for Psychoanalytic Psychotherapy in the Public Sector (APP) has been granted registered charity status and become a Member Institution (MI) within the British Psychoanalytic Council (BPC). This enables us – for the first time – to accredit APP members as BPC Registrants, based on public sector experience.
